The Year of the Supercourse Dragon Calendar

Dear Friend

We wanted to wish you a very happy new year. The year 2012 is the year of the dragon in China and year of the Dragon for the Supercourse, as well.

In honor of the year of the Dragon, we wanted to provide to you a Dragon Supercourse Calendar. It will be coming in the next email as an attachment. It would be an honor for us if you could print this out and hang it in your office to remind you of the Supercourse in the upcoming year, and how much you, and the world, have contributed to it. The calendar can also be viewed here:

<http://www.pitt.edu/~super1/ACalendar2010/calendar2012.htm>.

We would also appreciate if you sent the calendar to your faculty, friends, and students. If you do, please send us a copy with their email address. We hope to keep you and them informed in the next year about the Supercourse, as well as to share with them DVDs of the supercourse, updates, and news about recent lectures. We would most appreciate if you could forward this on and send us a copy of your note with the emails.

The year 2011 was one of the most exciting years of the Supercourse with the collection of our 5000<sup>th</sup> lecture, the enrollment of our 50,000<sup>th</sup> faculty member, and the teaching of 50 million.

Please feel free to include yourself and your group in the calendar, as the calendar and the Supercourse belongs to all of us.

Sincerely yours,

Ron, Eugene, Faina, Meredith, Mita, Francois, Nicholas, Andrey, Alexei, Francois,
